Dear Mr Stevens

INOVASURE ENERGY VAULT PROJECT

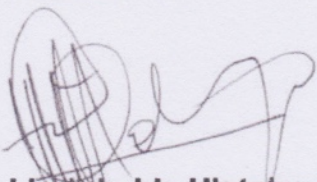

Thank you for your letter dated 20 November 2018 regarding the future Public Private Partnership arrangement under the auspices of the DBSA.

In the light of the above we are not opposed to the Public Private Partnership arrangement under the auspices of the DBSA.

We are available to assist with technical assistance. However, we need a letter of request so that the project can be registered with us in accordance with Municipal PPP Regulations.

Please contact Strover Maganedisa (012 – 315 5861 or strover.maganedisa@gtac.gov.za) should you need more information.

Regards

Lindokuhle Hlatshwayo
