## 2. INTRODUCTION

The purpose of this policy is to ensure that household consumers with no or lower income are not denied a reasonable service and that the Municipality does not overstate its revenue due to the non-payment of services.

The municipality is faced with a significant amount of outstanding debt and with the continuous defaulting by consumers who can afford to pay for services. To deal with this, the Council also approved a revised Customer Care, Credit Control and Debt Collection Policy.

Despite strict enforcement of the above policies, Council will continuously be confronted by circumstances requiring the possible write-off of irrecoverable debt. To allow for this, the approved Customer Care, Credit Control and Debt Collection Policy, inter alia, stipulates that –

*The Municipal Manager must establish effective administrative mechanisms, processes and procedures to collect money that is due and payable to the Municipality.*

In addition, the policy further stipulates that –

*Council should adopt and implement a Debt Write-off Policy to formalise the processes for writing off uncollectable debts.*

## 3. OBJECTIVES OF POLICY

The objectives of this policy can be described as follow:

- 3.1 Section 96 of the Local Government: Municipal Systems Act, 32 Of 2000, provides that a municipality must collect all money that is due and payable to it, subject to the provisions of that Act and other applicable legislation.
- 3.2 It is recognized, however that circumstances may arise, which make the recovery of certain debts impossible, impractical or financially unfeasible and that such debts may have to be written off.
- 3.3 The purpose of this policy is to provide a framework for:
  - 3.3.1 limiting the circumstances contemplated in 3.2;

- 3.3.2 determining, when such circumstances have arisen, whether to write off any debts; and
- 3.3.3 the procedures for writing off such debts.

## **4. STEPS TO BE TAKEN BEFORE WRITING OFF DEBT**

Before consideration is given for the write-off of any debt the following steps should be taken -

### **4.1 CREDIT CONTROL AND DEBT COLLECTION POLICY ACTIONS**

All the applicable actions as contained in the Customer Care, Credit Control and Debt Collection Policy of the municipality should have been executed and implemented.

### **4.2 ESTATE NOTICES MONITORING**

Estate notices in the Government Gazette must be checked regularly (on a two-monthly basis) to enable the municipality to institute claims against insolvent and deceased estates of persons owing money to the Municipality.

### **4.3 TRACING OF DEBTORS**

In the event that the debtor's address is not known, all reasonable steps must be taken to trace the debtor. A reasonable effort to trace the debtor will include, but is not limited to, the following:

- a) Utilising all the information available (such as vehicle registration number, school attended by children, etc.) to locate the debtor;
- b) Utilising the telephone directory for the last town or city in which the debtor lived to locate the debtor and/or his/her relatives; and
- c) Contacting the following institutions or persons in order to locate the debtor:
  - i) The Vehicle Registration Authorities;
  - ii) The Department of Home Affairs; and
  - iii) Officials and/or colleagues at the debtor's last place of employment.

The Accounting Officer shall consider all other economically viable avenues for debt recovery, including the use of tracing agents, factoring of debts, recourse against sureties, guarantors or lessees, etc.

## 4.4 PREVENTION OF PRESCRIPTION OF DEBT

### 4.4.1 Prevention:

Proceedings out of the appropriate court having for the recovery of a debt must be commenced as soon as is appropriate in order to prevent prescription of the debt. A summons process for payment of the debt must be successfully concluded as soon as possible to prevent prescription of the debt in terms of the Prescription Act.

### 4.4.2 Prescription Act, 1969 (Act No. 68 of 1969):

Section 10 (1) of the Prescription Act provides that a debt shall be extinguished by prescription after the lapse of the period which in terms of the relevant law applies in respect of the prescription of such debt. The Municipality cannot legally enforce payment of a debt once the debt has prescribed, but the period of prescription is interrupted –

- a) By the service on the debtor of any process whereby the creditor claims payment of the debt (Section 15). “Process” means a Summons or Notice of Motion, which must actually be served on the debtor and not simply issued by the court, and does NOT include a registered letter of demand;
- b) the debtor acknowledges liability, whether expressly or tacitly (Section 14); payment of a portion of the debt can constitute a tacit acknowledgement of liability.

The completion of prescription may also be delayed in certain circumstances (Section 13).

### 4.4.3 In terms of Section 11 of the Prescription Act, 1969 (Act 68 of 1969), the periods of prescription of debts are as follow:

- a) Thirty years in respect of –
  - i) any debt secured by a mortgage bond;
  - ii) any judgment debt;
  - iii) any debt in respect of any taxation imposed or levied by or under any law; and
  - iv) any debt owed to the State in respect of any share of the profits, royalties or any similar consideration payable in respect of the right to mine minerals or other substances.

- b) Fifteen years in respect of any debt owed to the State and arising out of an advance or loan of money or a sale or lease of land by the State to the debtor, unless a longer period applies in respect of the debt in question in terms of paragraph (i) above.
- c) Six years in respect of a debt arising from a bill of exchange or other negotiable instrument or from a notary's contract, unless a longer period applies in respect of the debt in question in terms of paragraph (a) or (b) above.
- d) Three years in respect of all other debts, save where an Act of Parliament provides otherwise.

## **4.5 GENERAL**

Should all the above efforts prove to be unsuccessful and the debtor cannot be traced, or it would be uneconomical to take the matter any further, only then must a submission be made requesting the write-off of the debt. This submission must detail all steps taken and the Municipality must maintain audit trails in such instances and document the reasons for the abandonment of the actions or claims in respect of the debt.

## **5. WRITE OFF DEBTS OWING TO THE MUNICIPALITY**

### **5.1 GENERAL CONDITIONS**

The Municipality will consider debts for write-off in the following general circumstances:

- a) When debts have prescribed, as contemplated in paragraph 4.4 above;
- b) When debts have not been recovered from the deceased, where their estates have been finalized, and recovery of the debts from the heirs is deemed to not be possible;
- c) When debts are owed by debtors who cannot be traced, notwithstanding compliance with the provisions in paragraph 4.3 above;
- d) When no source documentation is available to substantiate or prove the claims, provided that the Accounting Officer must have satisfied him/herself that all reasonable steps have been taken to locate the source documents;
- e) When the debtor has emigrated without paying the debts, leaving no assets available for attachment and the debtors' whereabouts are unknown;
- f) When it is not economical to pursue the debt further.

Unless affordable arrangements can be made with tracing agents or attorneys, the costs associated with the tracing of a debtor and subsequent legal costs occasioned thereby, could exceed the amount claimed and therefore it would not be in the Municipality's interest to attempt recovery of debts where the prospects of recovery are remote, and where the possibility exists that the costs associated with recovery may exceed the debt.

## **5.2 SPECIFIC CONDITIONS**

The Municipality will consider debts for write-off in the following specific circumstances:

### *5.2.1 Debt associated with ownership of property (Rates accounts):*

Debt raised by Council for the services rendered to registered owners of the property/land, i.e. Assessment rates, Refuse removal, Sewerage, Availability fees for Electricity and Water, will not be written-off except when the property is disposed of in the liquidation process and the proceeds do not cover the outstanding debt, the balance can then be written-off as irrecoverable.

### *5.2.2 Debt associated with ownership of property in the absence of a registered estate:*

On the death of the owner, where no last will or testament exist, no estate has been registered and/or findings of an investigation indicate that the estate is insolvent, all outstanding rates and service charges on the property, up to the date of the death of the owner, should be written off. The write-off in instances like this is subject to the following conditions being complied with:

- a) a certified copy of the death certificate of the owner be obtained;
- b) a sworn affidavit regarding the insolvency be obtained.

Should the new owner not qualify to be registered as an Indigent, in terms of the Council's Indigent Policy, the outstanding rates and service charges for the period from the death of the previous owner till the date of the new service application remain payable by the new owner and cannot be written off.

5.2.5.1 Debt owed to Council by an Indigent Household, when registering for the first time in terms of the official Indigent Policy, shall be written off as a once off concession, subject to a thorough audit investigation and certification to the effect that the household is a bona fide indigent as stipulated in the Indigent Policy.

5.2.5.2 Any new arrears accumulated by the debtor (i.e. any amounts in excess of the indigent allowance for free basic services) whilst registered as an indigent consumer, will not qualify to be written off and must be dealt with strictly in accordance with the Municipality's Customer Care, Credit Control and Debt Collection Policy and the Indigent Policy.

5.2.5.3 Debt owed by the deceased estate of the breadwinner of a registered indigent household shall be written off up to the date of the death of the owner.

- b) a sworn affidavit regarding the indigence be obtained.

Should the new owner not qualify to be registered as an Indigent, in terms of the Council's Indigent Policy, the outstanding rates and service charges for the period from the death of the previous owner till the date of the new service application remain payable by the new owner and cannot be written off.

Should the new owner qualify to be registered as an Indigent, in terms of the Council's Indigent Policy, the outstanding rates and service charges for the period from the death of the previous owner till the date of the new service application can be written off in instances where the next of kin/new owner present proof that the property transfer fees has been paid and the service contract is signed in his/her name.

#### 5.2.6 *Special cases:*

The allocation of RDP houses by the Housing Department has in some instances resulted in debt raised in relation to the property in the name of the person the house was allocated to, but who never took occupation due to one of the following reasons:

- a) Occupation taken up by illegal occupants;
- b) Failure to inform the rightful owner about the allocation;
- c) Alteration of allocation not effected in Council records;

In the above-mentioned cases there will never be a need to implement the Credit Control and Debt Collection Policy; therefore, write-off should take place immediately when the Directorate involved in the allocation of property issues a memorandum that confirms the above. Furthermore, the write-off should be affected and reported to Council for ratification purposes.

### **5.3 FINAL ACTION**

Whenever all the legal avenues, procedures and steps listed above have been exhausted, the arrear amounts should be classified as irrecoverable and should be written off by the person to whom the authority to do so has been delegated under the Municipality's system of delegations.

Immediately after 30 June each year, or more regularly if requested by Council, the Accounting Officer must present to the Council a report listing the following:

- a) For noting – details of the debts that was written off during the year ending 30 June under delegated authority, together with the reasons for the write offs; and
- b) For consideration – details of any debt, not included under (a) above, which is believed to be irrecoverable, together with the reasons for this conclusion. The council shall then approve the write-off of such arrears, if it is satisfied with the reasons provided.

## **6. DELEGATED AUTHORITY**

The Accounting Officer is given delegated authority to write-off debt under the following circumstances:

- a) the debt amounts relating to interest charges to the amount of three hundred thousand rand (R300 000.00) or less; and
- b) all reasonable steps have been taken to recover the debt as stipulated under paragraph 4 above; and
- c) the debt is considered to be irrecoverable in terms of any one of the conditions stipulated in paragraph 5 above.

In such cases, the reason for each write-off be listed in the report against each individual item, and audit trails for each write-off must be kept for control purposes.

The write-off of any capital amounts can only be done by the approval of Council after all reasonable steps were taken as stipulated in section 4 and conditions were met in terms of section 5 of this policy.

## **7. CREDIT BUREAU LISTING**

Debtors whose debts are written off due to any of the following reasons must be listed with the Credit Bureaus:

- a) Untraceable;
- b) Prescription;
- c) Insolvent;
- d) Emigration.

## **8. BAD DEBTS RECOVERED**

The approval of Council for the write-off of any debt does not mean that actions to recover the money will be terminated, however, further actions will be instituted depending on the costs involved and if debt is recovered it will be recorded in the financial records of Council as recovered.

## **9. REVIEW OF THE POLICY**

This policy must be reviewed on annual basis to take into account developments of legislation governing financial management in local government as well accounting standards.
