COUNCIL 25/08/21: APPROVAL OF AIR QUALITY MANAGEMENT PLAN

RESOLUTION

1. That Council takes note of the report.
2. That Council approves the revised Kannaland Municipality Air Quality Management Plan.
3. That the approved Kannaland Municipal Air Quality Management Plan be adopted in the Integrated Development Plan.
4. That Council supports the continuation and expansion of awareness campaigns, such as the GRDM clean fires campaign, in order to educate communities on the dangers of air pollution and to change behavior with regards to illegal burning, including on landfill sites.
