✓ We are pleased to inform you of an important initiative aimed at accelerating service delivery within our municipality. As part of his commitment to the residents of Kannaland, Municipal Manager Advocate Dillo Sereo has initiated a Service Delivery Acceleration Project.

✓ This project will commence on May 6, 2024, and will continue until June 30, 2024. During this period, all municipal departments will be actively involved and visible in the streets, addressing current service delivery challenges in the towns of Ladismith, Zoar, Calitzdorp, and Van Wyksdorp.

✓ The primary objective of this project is to enhance the efficiency and effectiveness of service delivery across our municipality. By bringing municipal services directly to the communities, we aim to ensure that your needs are met in a timely and satisfactory manner.

✓ We encourage all residents to take advantage of this opportunity to engage with municipal officials, voice any concerns or issues you may have, and actively participate in the improvement of our community.

✓ Your cooperation and support are invaluable as we work together to build a better and more vibrant Kannaland.
