## OFFICE OF THE EXECUTIVE MAYOR

### PRESS STATEMENT

Municipality Welcomes the preparation of Section 154 Support Plan and Council Resolution for Financial Recovery

Kannaland Municipality acknowledges the critical role of cooperative governance and intergovernmental support in addressing the challenges faced by municipalities. In this regard, we welcome the preparation of Section 154 Support Plan initiated by the Department of Cooperative Governance and Traditional Affairs (CoGTA).

The Section 154 Support Plan has been designed to provide technical and strategic support to enhance our municipality's capacity in fulfilling its constitutional obligations. This initiative aligns with the principle of cooperative governance enshrined in the Constitution of South Africa and aims to strengthen the municipality's institutional systems, financial management, and service delivery mechanisms.

In addition to this support, the council of Kannaland Municipality has passed a resolution affirming cooperation with National Treasury in the process of preparing and implementing a Financial Recovery Plan. This decision reflects the Council's commitment to ensuring financial sustainability, operational efficiency, and effective service delivery to the residents of Kannaland Municipality.

The Financial Recovery Plan will provide a comprehensive framework to address financial challenges, streamline expenditures, and improve revenue collection. It will also focus on measures to strengthen governance, enforce fiscal discipline, and promote accountability within the municipality.

As a municipality, we are committed to working collaboratively with CoGTA, National Treasury, Western Cape Local Government and other stakeholders to implement these interventions effectively. Our priority remains ensuring that our residents receive the quality services they deserve, while we rebuild trust and restore financial stability.

We wish to thank all our partners for their continued support and the public for their patience and cooperation as we embark on this journey of renewal and growth.
