

NOTICE: MUNICIPAL PROPERTY RATES INFORMATION SESSIONS AND PROPOSED TARIFF ADJUSTMENTS (2026/27)

The Kannaland Municipality hereby invites all residents, businesses, and property owners to attend public information sessions on the proposed property rates and tariff structure for the 2026/27 financial year. (From the 5th to the 8th of May 2026).

These sessions follow the implementation of the new General Valuation Roll (2026–2031), which reflects updated market-related property values.

While the updated valuations may result in changes to property rates, the Municipality wishes to assure the community that:

- A balanced and fair approach is being applied in determining tariffs.
- A phased-in implementation is being considered to manage the impact over time.
- Measures are being explored to protect affordability, particularly for vulnerable households.
- At the same time, the Municipality must ensure financial sustainability to continue delivering essential services.

The information sessions will provide:

- A clear explanation of how property rates are calculated.
- An overview of the proposed tariff structure.
- Details on the phasing-in approach under consideration.
- An opportunity for residents and stakeholders to engage and provide input.

The Municipality is also engaging with the Department of Local Government and Provincial Treasury to ensure that tariffs are both affordable and financially sustainable.

PUBLIC INFORMATION SESSION DATES

 05 – 08 May 2026

 Venues and times will be communicated through municipal platforms

The Municipal Manager
